consideration. New 2 bills. (Read LB 108A and LB 1244A by title for the first time.) Hearing notice from Natural Resources regarding a gubernatorial appointee. Senator Bromm and Wehrbein have amendments to LB 1190 to be printed. Senator Vrtiska would like to add his name to 1104 as coinroducer. That's all that I have, Mr. President. (See pages 1598-99 of the Legislative Journal.)

SPEAKER WITHEM: Senator Maurstad, would you care to make that motion to recess?

SENATOR MAURSTAD: Mr. President, I'd move that we recess until one-thirty.

SPEAKER WITHEM: Okay, prior to the recess, I would like to make one announcement. We're putting the agenda together for tomorrow. The way the agenda looks, with very few exceptions, I don't even know what those exceptions will be, tomorrow will probably be our last day for consideration of bills on General File. Like I say, there could be some exceptions to that, but we'd have to deal with those on an individual basis. Consequently, if we have bills on...if you're interested in bills on General File, particularly some of the committee priority bills, typically we don't work very late on the last day of the week but tomorrow may be an exception to that. I'm looking at doing some of the committee priority bills, special ordering fairly late in the afternoon, so be advised of that as you're planning your schedules for tomorrow. With that, the motion before the body is, shall we stand in recess? All in favor vote aye. Opposed? We are recessed.
